

# Hotel Bayerischer Hof, Lindau on Lake Constance

Product: Shower channel CeraWall

Project: Hotel

Location: Lindau, Lake Constance, Germany

Year: 2015

The first-class hotel Bayerischer Hof is located directly on the harbour promenade in Lindau on Lake Constance. The hotel boasts 104 generous and individually furnished rooms and suites with plenty of space to settle in and unwind. Guests can also relax in the fitness and wellness area, in the outdoor swimming pool or on the garden terrace on the lakeside promenade. The location, in the border triangle between Austria, Germany and Switzerland, offers numerous possibilities for excursions and culture at the foot of the Alps. During the hotel's latest refurbishment, the guest bathrooms were fitted with CeraWall level-access showers and shower channels – just right for the sophisticated demands of a premium hotel.
